Sixty thousand copies of the new 2005 Freedom Alliance Scholarship Fund Report have been printed and are being distributed. The Report features many outstanding students throughout the United States who are Freedom Alliance Scholarship Fund recipients. It also honors their parents, who have sacrificed life or limb in defense of our country.

The Report also highlights the Third Annual Hannity Freedom Concert and Rally for the Troops held last summer at Six Flags Great Adventure, which honored our men and women in uniform and raised over one million dollars for the Scholarship Fund.

Through the goodness and generosity of thousands of Americans, including Sean Hannity's faithful audience, the Freedom Alliance Scholarship Fund has awarded over \$750,000 in scholarships in the last several years.

But, our mission is not yet accomplished. ([click to view Report and learn more](#))

In the last 20 years, over 15,000 American service members have given their lives defending our country. Another 2,000 members of our armed forces have been killed in the war in Iraq leaving behind thousands of children. Many more are permanently disabled, leaving their families in difficult financial situations.

These children, many of whom are young now, will be eligible for a Freedom Alliance Scholarship in the years to come.

We must help them. We will help them with your generous support.

Please open your heart with a tax-deductible contribution, so we may always say "Yes" to the sons and daughters of America's brave defenders of freedom, who seek scholarship assistance. To donate, [click here](#).
